GENERAL INFORMATION

Paragraphs “Material Change and Significant Change” and “Legal Proceedings” of Section C “Description of the Danske Bank Group” on page C-11 of the Base Prospectus shall be deemed deleted and replaced with the following paragraphs, respectively:

“Material Change and Significant Change

- (i) At the Issuer’s annual general meeting on 26 March 2026, it was resolved to reduce the Issuer’s share capital by nominally DKK 191,796,230 from nominally DKK 8,349,951,250 to nominally DKK 8,158,155,020 by cancelling a part of the Issuer’s holding of own shares. The reduction of the share capital has been carried out and registered at 27 April 2026. After the reduction, the Issuer’s share capital amounts to DKK 8,158,155,020 nominally. Apart from the reduction in share capital, there has been no other significant change in the financial performance or position of the Issuer or of the Issuer and its Subsidiaries taken as a whole since 31 March 2026, the last day of the financial period in respect of which the most recent financial statements of the Issuer and its Subsidiaries have been prepared; and
- (ii) Save as outlined in the sections “*Risk Factors - Disruptions and volatility in the global financial markets may adversely impact the Group*” and “*Legal and Regulatory Proceedings*”, there has been no material adverse change in the financial position or prospects of the Issuer since 31 December 2025, the last day of the financial period in respect of which the most recently audited financial statements of the Issuer and the Group have been prepared.

Legal Proceedings

Save as outlined in the section “*Legal and Regulatory Proceedings*”, there are no governmental, legal or arbitration proceedings against or affecting the Issuer or any of its Subsidiaries (and no such proceedings are pending or threatened of which the Issuer is aware) during a period covering at least the previous twelve months which have or may have in the recent past, individually or in the aggregate, significant effects on the profitability or the financial position of the Issuer or of the Issuer and its Subsidiaries taken as a whole.”
