Save for any fees payable to the Dealer and any distributor so far as the Issuer is aware, no person involved in the issue of the Securities has an interest material to the offer.

4. REASONS FOR THE OFFER, ESTIMATED NET PROCEEDS AND TOTAL EXPENSES

(i) Reasons for the offer:

Crédit Agricole CIB Financial Solutions as Issuer and Crédit Agricole Corporate and Investment Bank as Guarantor intend to allocate an amount equivalent to the net proceeds of the Notes (the “**Note Net Proceeds**”), in the same currency or the equivalent in any other currency, to a green loan portfolio (the “**Green Loan Portfolio**”). The Green Loan Portfolio will consist solely of loans made by Crédit Agricole Corporate and Investment Bank or affiliates of Crédit Agricole Corporate and Investment Bank, the borrower of which are entities or projects that:

(A) show a strong Environmental (E), Social (S) and Governance (G) performance after having gone through a robust “ESG” rating assessment methodology (developed by and proprietary to Crédit Agricole Corporate and Investment Bank having sought input from external rating agencies who specialise in environmental, social and governance analysis); and

(B) belong to a sector that Crédit Agricole Corporate and Investment Bank categorises as “green”, which broadly means an area selected for its substantial contribution to climate change mitigation and includes (but is not limited to): (i) renewable energy, (ii) energy efficiency and (iii) water and waste management.

Crédit Agricole Corporate and Investment Bank will seek to ensure that the total outstanding principal amount of both the Notes and any other similar green notes issued by itself or by Crédit Agricole CIB Financial Solutions pursuant to their current or any of their previous Structured Euro Medium Term Note Programmes or Structured Debt Instruments Issuance Programme does not exceed the amounts outstanding under

the Green Loan Portfolio.

The composition and methodology of the Green Loan Portfolio is generally audited by Crédit Agricole Corporate and Investment Bank's auditors on an annual basis.

In the unlikely event that the allocation by Crédit Agricole Corporate and Investment Bank (as described above) does not occur, then the Note Net Proceeds will be used as described in the "Use of Proceeds" section of the Base Prospectus. Payment of principal and interest under the Notes will not be directly linked to the performance of the Green Loan Portfolio.
