Any person making or intending to make an offer of the Securities may only do so in circumstances in which no obligation arises for the relevant Issuer or any Dealer to publish a prospectus pursuant to Article 3 of Directive 2003/71/EC, as amended (the **Prospectus Directive**) or otherwise or supplement a prospectus pursuant to Article 16 of the Prospectus Directive or otherwise, in each case, in relation to such offer. This is a structured product that involves derivatives and therefore may only be distributed to sophisticated investors who have a good understanding of the underlying market, product characteristics and risks and are investing in this product for portfolio diversification purposes. The investment decision is yours but you should not invest in this product unless you are satisfied that it is suitable for you in light of your circumstances and financial position. We

recommend that investors seek independent professional advice prior to investing.
