in respect of such Series at such time to make such payments in accordance with Master Condition 15 (*Application of Available Proceeds or Affected Class Collateral Proceeds*). Notwithstanding anything to the contrary contained herein or in any other Transaction Document, in respect of the Series, the Transaction Parties, the Noteholders and the Couponholders shall have recourse only to the Mortgaged Property in respect of the Series, subject always to the Security, and not to any other assets of the Issuer. If, after (i) the Mortgaged Property in respect of the Series is exhausted (whether following Liquidation or enforcement of the Security) and (ii) application of the Available Proceeds as provided in Master Condition 15 (*Application of Available Proceeds or Affected Class Collateral Proceeds*), any outstanding claim, debt or liability against the Issuer in relation to this Issue Deed, the Notes of the Series or any other Transaction Document relating to the Notes of the Series remains unpaid, then such outstanding claim, debt or liability shall be extinguished and no debt shall be owed by the Issuer in respect thereof. Following extinguishment in accordance with Master Condition 17(a) (*General Limited Recourse*) and this Clause 8.1, none of the Transaction Parties, the Noteholders, the Couponholders or any other person acting on behalf of any of them shall be entitled to take any further steps against the Issuer, the Company or any of its officers, shareholders, members, incorporators, corporate service providers or directors to recover any further sum in respect of the extinguished claim and no debt shall be owed to any such persons by the Issuer or any of its officers, shareholders, members, incorporators, corporate service providers or directors in respect of such further sum in respect of the Series.

8.2 Non-Petition: None of the Transaction Parties (save for the Trustee who may lodge a claim in liquidation of the Issuer which is initiated by another party or take proceedings to obtain a declaration or judgment as to the obligations of the Issuer), the Noteholders, the Couponholders or any person acting on behalf of any of them may, at any time, institute, or join with any other person in bringing, instituting or joining, insolvency, administration, bankruptcy, winding-up, examinership or any other similar proceedings (whether court-based or otherwise) in relation to the Issuer, the Company or any of its officers, shareholders, members, incorporators, corporate service providers or directors or any of its assets, and none of them shall have any claim arising with respect to the assets and/or property attributable to any other notes issued by the Company (save for any further notes which form a single series with the Notes) or Mortgaged Property in respect of a different series or Obligations issued or entered into by the Company or any other assets of the Issuer or the Company (other than the Mortgaged Property in respect of the Series).

8.3 Corporate Obligation: In addition, none of the Transaction Parties, the Noteholders, the Couponholders or any person acting on behalf of any of them shall have any recourse against any director, shareholder, or officer of the Issuer in respect of any obligations, covenant or agreement entered into or made by the Issuer pursuant to the terms of this Issue Deed or any other Transaction Documents.

8.4 Survival: The provisions of this Clause 8 shall survive notwithstanding any redemption of the Notes of any Series or the termination or expiration of this Issue Deed or any other Transaction Document.

9 Counterparts

This Issue Deed may be entered into in any number of counterparts, all of which taken together shall constitute one and the same instrument. Any party may enter into this Issue Deed by executing any such counterpart.

10 Governing Law and Jurisdiction

- 10.1 Governing Law:** This Issue Deed and any non-contractual obligations arising out of or in connection with it (save for the creation of the Luxembourg Pledge pursuant to Clause 3.3 (*Security and Covenants*) which shall be governed by Luxembourg law), shall be governed by and construed in accordance with English law. The provisions of articles 86 to 97 of the Luxembourg law of 10 August 1915 on commercial companies are excluded.
- 10.2 Jurisdiction:** The courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with the Trust Deed, the Notes, the Receipts, the Talons or the Coupons (save for the creation of the Luxembourg Pledge pursuant to Clause 3.3 in respect of which the parties irrevocably submit to the exclusive jurisdiction of the courts of the City of Luxembourg (Grand Duchy of Luxembourg) in connection with any disputes arising thereunder) and, accordingly, any legal action or proceedings arising out of or in connection with this Issue Deed, the Notes, the Receipts, the Talons or the Coupons (the "**Proceedings**") may be brought in such courts. Each of the parties to this Deed irrevocably submits to the jurisdiction of such courts and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This Clause 10.2 is for the benefit of each of the other parties hereto and the holders of the Notes, Coupons, Receipts and Talons and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).
- 10.3 Service of Process:** The Issuer has appointed Law Debenture Corporate Services Limited as the "**Process Agent**" to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such Process Agent (whether or not it is forwarded to and received by the Issuer). If for any reason the Process Agent ceases to be able to act as such or no longer has an address in England, the Issuer irrevocably agrees to appoint a substitute process agent acceptable to the Trustee, and to deliver to the other parties hereto a copy of the new process agent's acceptance of that appointment, within 30 days. Nothing shall affect the right to serve process in any other manner permitted by law.
- 10.4** If the Issuer is represented by an attorney or attorneys in connection with the signing and/or execution and/or delivery of this Issue Deed or any agreement or document referred to herein or made pursuant hereto and the relevant power or powers of attorney is or are expressed to be governed by the laws of a particular jurisdiction, it is hereby expressly acknowledged and accepted by the other parties hereto that such laws shall govern the existence and extent of such attorney's or attorneys' authority and the effects of the exercise thereof.

“(a) Application of Available Proceeds or Affected Class Collateral Proceeds of Liquidation

The Issuer shall, on each Issuer Application Date, apply the Available Proceeds or the Affected Class Collateral Proceeds, as applicable, as they stand on such date as follows:

- (i) first, where immediately prior to the associated termination of the Repo Agreement, the Issuer’s Net Margin (if any, as defined in the Repo Agreement) was greater than zero, an amount (as determined by the party responsible for determining such amounts under the Repo Agreement and such amount being a “**Repo Return Amount**”) equal to the lesser of (A) the Available Proceeds or Affected Class Collateral Proceeds, as applicable (B) the value of the Issuer’s Net Margin (or the relevant portion thereof where not all outstanding Classes, if applicable, are redeeming) that was used in determining the Termination Payment payable under the Repo Agreement and (C) the value of the net amounts owing to the Swap Counterparty under the Swap Agreement and the Repo Counterparty under the Repo Agreement, if any, which shall be deemed to be zero if no such amounts are owing (the excess of the value defined in (C) above the value defined in (B), if any, the “**Remaining Counterparty Claim Amount**”) shall be paid to the Repo Counterparty on behalf of the Swap Counterparty and the Repo Counterparty;

- (ii) secondly, in payment or satisfaction of the Issuer's share of any taxes owing by the Company;
- (iii) thirdly, in payment or satisfaction of any fees, costs, charges, expenses and liabilities of the Trustee under the Trust Deed and the other Transaction Documents (including any taxes required to be paid, legal fees and the Trustee's remuneration);
- (iv) fourthly, *pari passu*, in payment of (I) any amounts owing to the Custodian for reimbursement in respect of payments properly made by it in accordance with the terms of the Agency Agreement relating to sums receivable on or in respect of the relevant Mortgaged Property, (II) any amounts owing to the Issuing and Paying Agent for reimbursement in respect of payments properly made by it in accordance with the terms of the Agency Agreement to any person in discharge of a Secured Payment Obligation and (III) any fees, costs, charges, expenses and liabilities then due and payable to the Agents under the Agency Agreement;
- (v) fifthly, in payment or satisfaction of any Disposal Agent Fees;
- (vi) sixthly, *pari passu* in payment of:
 - (1) any amounts owing to the Swap Counterparty under the Swap Agreement (which, to the extent that a Repo Return Amount has been paid to the Repo Counterparty in accordance with Master Condition 15(a)(i), shall be, in aggregate with any amount paid in accordance with Master Condition 15(a)(vi)(2) below, limited to the Remaining Counterparty Claim Amount), provided that where:
 - (x) the Swap Agreement (or any relevant Swap Transactions thereunder) has not been subject to a designation or occurrence of an Early Termination Date; and
 - (y) in addition to amounts owing to the Swap Counterparty under the Swap Agreement there are also amounts that are owed by the Swap Counterparty under the Swap Agreement and which remain unpaid or there are obligations that were required to be settled by delivery from the Swap Counterparty to the Issuer and which have not been so settled,there shall be no payment to the Swap Counterparty under this limb and no payment to any person ranking junior to the Swap Counterparty under this Master Condition 15(a) until such time as an Early Termination Date has been designated or occurred and the Termination Payment determined; and
 - (2) any amounts owing to the Repo Counterparty under the Repo Agreement (which, to the extent that a Repo Return Amount has been paid to the Repo Counterparty in accordance with Master Condition 15(a)(i), shall be, in aggregate with any amount paid in accordance with Master Condition 15(a)(vi)(1) above, limited to the Remaining Counterparty Claim Amount), provided that where:

- (x) the Repo Agreement (or any relevant Repo Transaction thereunder) has not been subject to a designation or occurrence of an Early Termination Date; and
- (y) in addition to amounts owing to the Repo Counterparty under the Repo Agreement there are also amounts that are owed by the Repo Counterparty under the Repo Agreement and which remain unpaid or there are obligations that were required to be settled by delivery from the Repo Counterparty to the Issuer and which have not been so settled,

there shall be no payment to the Repo Counterparty under this limb and no payment to any person ranking junior to the Repo Counterparty under this Master Condition 15(a) until such time as an Early Termination Date has been designated or occurred and the Termination Payment determined;

- (vii) seventhly, in payment or satisfaction of the Issuer's share of Corporate Services Provider Fees owing by the Company;

- (ix) ninthly, in payment rateably of the Residual Amount to the holders of Notes,

save that no such application shall be made at any time following an Enforcement Notice having been effectively delivered by the Trustee following the occurrence of an Enforcement Event.

Any Secured Creditor that has a claim in respect of more than one Secured Payment Obligation may rank differently in respect of each Secured Payment Obligation.

Notwithstanding the above, if, upon a Counterparty Bankruptcy Credit Event, the Swap Counterparty or the Repo Counterparty (as the case may be) or any of their respective agents or representatives has indicated that it disagrees with any calculations or determinations made in respect of the Swap Agreement or the Repo Agreement (as the case may be) or the Issuer has reasonable grounds for anticipating that there will be such a disagreement (and, for this purpose, the mere fact that a Counterparty Bankruptcy Credit Event has occurred or that the Swap Counterparty or the Repo Counterparty (as applicable) is subject to an insolvency or analogous event shall not, of itself, constitute reasonable grounds), the Issuer may prior to any payment made under this Master Condition 15(a): (i) require to be indemnified and/or secured and/or pre-funded to its satisfaction in respect of any payment that might be required to be made to the Swap Counterparty or the Repo Counterparty (as applicable) should the relevant determination or determinations be found or agreed to be incorrect, and/or (ii) make such retention as seems

reasonable to it in order to provide for any payments that might be required to be made by or on behalf of the Issuer should the relevant calculations or determinations be found or agreed to be incorrect.

If, following the Initial Issuer Application Date, the Issuer receives any sum from the Mortgaged Property, the Issuer shall send a notice to the Trustee, the Issuing and Paying Agent, the Disposal Agent (where there is one), the Swap Counterparty and the Repo Counterparty of the same as soon as is reasonably practicable upon receiving any such sum.”

- 15.2 Master Condition 15(b) (*Application of Available Proceeds of Enforcement of Security*) shall be deleted in its entirety and replaced with the following:

“(b) **Application of Available Proceeds of Enforcement of Security**

Subject to and in accordance with the terms of the Security Documents, with effect from the date on which any valid Enforcement Notice is effectively delivered by the Trustee following the occurrence of an Enforcement Event, the Trustee will hold the Available Proceeds received by it under the Trust Deed on trust to apply them as they stand on each Trustee Application Date as follows:

- (i) first, where immediately prior to the associated termination of the Repo Agreement, the Issuer’s Net Margin (if any, as defined in the Repo Agreement) was greater than zero, an amount (as determined by the party responsible for determining such amounts under the Repo Agreement and such amount being a **“Repo Return Amount”**) equal to the lesser of (A) the Available Proceeds (B) the value of the Issuer’s Net Margin that was used in determining the Termination Payment payable under the Repo Agreement and (C) the value of the net amounts owing to the Swap Counterparty under the Swap Agreement and the Repo Counterparty under the Repo Agreement, if any, which shall be deemed to be zero if no such amounts are owing (the excess of the value defined in (C) above the value defined in (B), if any, the **“Remaining Counterparty Claim Amount”**) shall be paid to the Repo Counterparty on behalf of the Swap Counterparty and the Repo Counterparty;
- (ii) secondly, in payment or satisfaction of the Issuer’s share of any taxes owing by the Company;
- (iii) thirdly, in payment or satisfaction of any fees, costs, charges, expenses and liabilities of the Trustee or any receiver in preparing and executing the trusts and carrying out its functions under the Trust Deed and the other Transaction Documents (including any taxes required to be paid, legal fees, the cost of realising any Security and the Trustee’s remuneration);
- (iv) fourthly, *pari passu*, in payment of (I) any amounts owing to the Custodian for reimbursement in respect of payments properly made by it in accordance with the terms of the Agency Agreement relating to sums receivable on or in respect of the relevant Collateral, (II) any amounts owing to the Issuing and Paying Agent for reimbursement in respect of payments properly made by it in accordance with the terms of the Agency Agreement to any person in discharge of a Secured Payment Obligation and (III) any fees, costs, charges, expenses and liabilities then due and payable to the Agents under the Agency Agreement;

- (v) fifthly, in payment or satisfaction of any Disposal Agent Fees;
- (vi) sixthly, *pari passu* in payment of:
 - (1) any amounts owing to the Swap Counterparty under the Swap Agreement (which, to the extent that a Repo Return Amount has been paid to the Repo Counterparty in accordance with Master Condition 15(b)(i), shall be, in aggregate with any amount paid in accordance with Master Condition 15(b)(vi)(2) below, limited to the Remaining Counterparty Claim Amount), provided that where:
 - (x) the Swap Agreement has not been subject to a designation or occurrence of an Early Termination Date; and
 - (y) in addition to amounts owing to the Swap Counterparty under the Swap Agreement there are also amounts that are owed by the Swap Counterparty under the Swap Agreement and which remain unpaid or there are obligations that were required to be settled by delivery from the Swap Counterparty to the Issuer and which have not been so settled,

there shall be no payment to the Swap Counterparty under this limb and no payment to any person ranking junior to the Swap Counterparty under this Master Condition 15(b) until such time as an Early Termination Date has been designated or occurred and the Termination Payment determined; and

- (2) any amounts owing to the Repo Counterparty under the Repo Agreement (which, to the extent that a Repo Return Amount has been paid to the Repo Counterparty in accordance with Master Condition 15(b)(i), shall be, in aggregate with the amount paid in accordance with Master Condition 15 (b)(vi)(1) above, limited to the Remaining Counterparty Claim Amount), provided that where:
 - (x) the Repo Agreement (or any relevant Repo Transaction thereunder) has not been subject to a designation or occurrence of an Early Termination Date; and
 - (y) in addition to amounts owing to the Repo Counterparty under the Repo Agreement there are also amounts that are owed by the Repo Counterparty under the Repo Agreement and which remain unpaid or there are obligations that were required to be settled by delivery from the Repo Counterparty to the Issuer and which have not been so settled,

there shall be no payment to the Repo Counterparty under this limb and no payment to any person ranking junior to the Repo Counterparty under this Master Condition 15(b) until such time as an Early Termination Date has been designated or occurred and the Termination Payment determined;

- (vii) seventhly, in payment or satisfaction of the Issuer's share of Corporate Services Provider Fees owing by the Company;
- (viii) eighthly, *pari passu* in payment of (I) any Early Redemption Amount then due and payable, (II) any Final Redemption Amount then due and payable and/or (III) any interest or Instalment Amount that became due and payable on the Maturity Date and that remains due and payable, as applicable, and, in each case, any interest accrued thereon (which, for the avoidance of doubt, shall include Default Interest) to the holders of Notes; and
- (ix) ninthly, in payment rateably of the Residual Amount to the holders of Notes.

Any Secured Creditor that has a claim in respect of more than one Secured Payment Obligation may rank differently in respect of each Secured Payment Obligation.

If the amount of moneys available to the Trustee for payment in respect of the Notes under this Master Condition 15(b) at any time following delivery by the Trustee of an Enforcement Notice in accordance with the Conditions, other than where the Mortgaged Property has been exhausted, amount to less than 10 per cent. of the nominal amount of the Notes then outstanding, the Trustee shall not be obliged to make any payments under this Master Condition 15(b) and shall, place such amounts on deposit as provided in paragraph (c) below and shall retain such amounts and accumulate the resulting income until the amounts and the accumulations, together with any other funds for the time being under the Trustee's control and available for such payment, amount to at least 10 per cent. of the nominal amount of the Notes then outstanding and then such amounts and accumulations (after deduction of, or provision for, any applicable taxes and negative interest) shall be applied as specified in this Master Condition 15(b)."

- 15.3 Master Condition 15(e) (*Foreign Exchange Conversion*) shall be deleted in its entirety and replaced with the following:

“(e) **Foreign Exchange Conversion**

To the extent that any proceeds payable to any party pursuant to this Master Condition 15 are not in the Specified Currency, then such proceeds shall be converted at such rate or rates, in accordance with such method and as at such date as may reasonably be specified by the Disposal Agent (prior to the Trustee enforcing the Security pursuant to the Security Documents and as described in Master Condition 14 (Enforcement of Security)) or the Trustee (following the Trustee enforcing the Security pursuant to the Security Documents and as described in Master Condition 14 (Enforcement of Security)), but having regard to current rates of exchange, if available. Any rate, method and date so specified shall be binding on the Issuer, the Noteholders, the Couponholders, the Swap Counterparty, the Repo Counterparty and the Custodian.

(f) **Non-Payment under Swap Agreement and/or Repo Agreement after Maturity**

If, on or after the day falling five Reference Business Days after the Maturity Date of the Notes (such fifth Reference Business Day, the “**Maturity Cut-off Date**”):

- (i) there are amounts that have become payable under the Swap Agreement by the Swap Counterparty and/or under the Repo Agreement by the Repo Counterparty and which remain unpaid as at the Maturity Cut-off Date or there are obligations that were required to be settled by delivery from the Swap Counterparty and/or the Repo Counterparty to the Issuer on or prior to the Maturity Date and which have not been so settled as at the Maturity Cut-off Date;
- (ii) no Early Termination Date has already been designated or occurred under the Swap Agreement and/or the Repo Agreement; and
- (iii) no Early Redemption Commencement Date or Early Redemption Date has occurred under any other Condition,

then the Issuer shall, as soon as is practicable after becoming aware of the same, notify the Noteholders in accordance with Master Condition 22 (Notices) and the Trustee in writing of the same. Following delivery of such notice from the Issuer, the Issuer shall, if directed by an Extraordinary Resolution, exercise its right to designate an Early Termination Date in respect of all outstanding Swap Transactions under the Swap Agreement and/or all outstanding Repo Transactions under the Repo Agreement.”

16 Amendment to Master Condition 19 (*Meetings of Noteholders, Modification, Waiver and Substitution*)

16.1 Master Condition 19(b) (*Modification of the Conditions and/or any Transaction Document*) shall be deleted in its entirety and replaced with the following:

“(b) Modification of the Conditions and/or any Transaction Document

The Trustee (i) shall agree, without the consent of the Noteholders or the Couponholders, to any modification of any of the Conditions or any of the provisions of the Transaction Documents that is in its opinion of a formal, minor or technical nature or is made to correct a manifest error and (ii) may agree, without the consent of the Noteholders or the Couponholders, to any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the Conditions or any of the provisions of the Transaction Documents that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. To the extent that any Agent is appointed or replaced pursuant to Master Condition 11(b)(ii) (*Calculation Agent Appointment, Termination and Replacement*) and/or Master Condition 11(c)(ii) (*Disposal Agent Appointment, Termination and Replacement*), the Issuer may make such amendments to the Conditions and/or the Transaction Documents as it determines necessary to reflect such appointment or replacement to which the Trustee shall agree, and the Trustee shall sign such documents as may be required to give effect to such amendments. Any such modification, authorisation or waiver as is made or given under this Master Condition 19(b) shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders as soon as is practicable.”

16.2 Master Condition 19(c) (*Substitution*) shall be amended by inserting the words “and the Repo Counterparty” after the words “written consent of the Swap Counterparty”.

17 Amendment to Master Condition 23 (*Indemnification and Obligations of the Trustee*)

SCHEDULE 3 TO THE ISSUE TERMS – PROVISIONS RELATING TO EUROCLEAR SWEDEN

1. General

For so long as the Notes are represented by a Global Certificate and are shown in the records of Euroclear as being held by the Swedish CSD as defined below, the provisions of paragraph 2 of this Schedule will apply.

1.1 Form of Swedish Notes

The Global Certificate issued in respect of the Notes will be deposited upon issuance with and registered in the name of a nominee for Euroclear. The Notes will be shown in the records of Euroclear as being held by a Swedish central securities depository (the “**Swedish CSD**”) which will be Euroclear Sweden AB (“**Euroclear Sweden**”) or any successor acceptable to or substitute appointed by the Issuer. The Swedish CSD will hold all interests in the Notes for the sole purpose of enabling clearing and settlement of interests therein in uncertificated and dematerialised book-entry form in the records maintained by the Swedish CSD in accordance with the CSD Rules (as defined below) for the benefit of the ultimate beneficial owners.

Beneficial interests in the Swedish CSD's interest in the Notes will be shown in the records of the Swedish CSD pursuant to an affiliation agreement dated prior to the Issue Date entered into between the Issuer and the Swedish CSD. No owner of such a beneficial interest is entitled to transfer (and the Swedish CSD will not allow any such transfer) such interest directly to the records of Euroclear and thereby removing the relevant Notes from the records of the Swedish CSD.

The holders of the Notes expressly accept and acknowledge that the Swedish CSD will only distribute payments for the Notes that the Swedish CSD has received from Euroclear in respect of the Notes.

1.2 Euroclear Sweden

Euroclear Sweden is a subsidiary within the Euroclear group of companies. Euroclear Sweden is a limited liability company. It is authorised and regulated by the Swedish Financial Supervisory Authority as a central securities depository within the meaning of the Swedish Financial Instruments Accounts Act (1998:1479 (as amended)) and as a clearing organisation within the meaning of the Swedish Securities Markets Act (2007:528 (as amended)). All transactions relating to the beneficial interests in the Swedish CSD's interest in the Notes (such as issuance, sale and transfer, pledge arrangements and other dispositions and redemptions) are executed as computerised book-entry registrations. Consequently, in order to effect such entries beneficial owners must establish a book-entry account through a credit institution or a securities firm acting as an account operator with the Swedish CSD (currently Euroclear Sweden). More information regarding Euroclear Sweden and its rules and operating procedures can be found at its internet web site at www.euroclear.com.

1.3 Swedish Agent

In addition, the Issuer has appointed or will appoint Skandinaviska Enskilda Banken AB (publ) as “**Swedish Agent**” in relation to the Notes pursuant to an issuing and paying agency agreement dated 16 April 2014 (the “**Swedish Agency Agreement**”).

2. Amendments to the Master Conditions

The following provisions shall supplement and amend the Master Conditions and the provisions of the Global Certificate:

2.1 Beneficial interests and transfer

The beneficial interests in the Swedish CSD's interest in the Notes will be held in Swedish uncertificated and dematerialised book-entry form in accordance with the Swedish Financial Instruments Accounts Act (*Sw. lag (1998:1479) om kontoföring av finansiella instrument*) and all such other Swedish laws, regulations and operating procedures applicable to and/or issued by the Swedish CSD (the “**CSD Rules**”). No owner of such a beneficial interest is entitled to transfer (and the Swedish CSD will not allow any such transfer) such interest directly to the records of Euroclear and thereby removing the relevant Notes from the records of the Swedish CSD.

Such beneficial interests will be transferable only in accordance with the CSD Rules. Title to such beneficial interests shall pass in the records maintained by the Swedish CSD in accordance with the CSD Rules.

The Issuer shall be entitled to obtain information from the register of the Swedish CSD in accordance with the CSD Rules.

2.2 Amendments while in global form

For the purpose of ascertaining the validity of a beneficial holding by a person on whose behalf the Swedish CSD is holding an interest in the Notes, the records of the Swedish CSD (in which regard, any electronic record, record statement, certificate or other information issued by the Swedish CSD as to the beneficial holding or the holding of any person duly authorised to act as a nominee (*Sw. förvaltare*)) shall be conclusive and final for all purposes and shall constitute commercially reasonable evidence, save in the case of manifest error.

2.3 Payments

Each holder of beneficial interests in the Swedish CSD's interest in the Notes must look solely to the Swedish CSD for its share of the payments so made by the Issuer. The Swedish CSD does not assume the obligations of the Issuer and is only obliged to distribute payments it has received in its capacity of Swedish CSD in respect of the Notes. It is expected that payments in respect of the Notes will be received by holders of the beneficial interests in the Swedish CSD's interest in the Notes holding such interests at an account with the Swedish CSD no later than the seventh business day (as defined by the then applicable CSD Rules) after the date on which such payment becomes due and payable in accordance with the terms and conditions of the Notes. Pursuant to the CSD Rules, payments in respect of any such beneficial interest shall be made to the holders shown as such on the fifth business day (as defined by the then applicable CSD Rules) before the due date for such payment, or such other business day falling closer to the due date as then may be stipulated in the CSD Rules. Such day shall be the “**Record Date**” in respect of the Notes in accordance with the CSD Rules. Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment and will be made in accordance with the CSD Rules.

2.4 Notices

So long as any Notes are represented by a Global Certificate and such Global Certificate is held on behalf of a clearing system, notices to the Swedish CSD may be given by the

Issuer delivering the relevant notice to that clearing system for communication to the Swedish CSD (along with a copy of such notice being delivered by the Issuer to the Swedish Agent pursuant to the Swedish Agency Agreement) rather than by mail as required by the Conditions (except that if and for so long as the Notes are listed on a stock exchange, all notices to holders of the Notes will be published in accordance with the rules of such stock exchange). Notices to each holder of beneficial interests in the Swedish CSD's interest in the Notes will be sent in accordance with the CSD Rules but shall be deemed to have been given to the holders of the Notes on the Reference Business Day immediately following the day on which the said notice was given to the Swedish CSD.

2.5 Agents

Master Condition 11(a) (*Appointment of Agents*) will be deleted and the following substituted therefor:

“(a) **Appointment of Agents:** The Issuing and Paying Agent, the Registrar, the Transfer Agents, the Custodian, the Disposal Agent and the Calculation Agent initially appointed by the Issuer and their respective Specified Offices, along with the Swedish Agent, are listed in the applicable Issue Terms. Subject to the provisions of (i) the Agency Agreement, the Issuing and Paying Agent, the Registrar, the Transfer Agents, the Custodian, the Disposal Agent and the Calculation Agent act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder and (ii) the Issuing and Paying Agency Agreement dated 16 April 2014 (in respect of the Swedish Agent), the Swedish Agent acts solely as agent of the Issuer and does not assume any obligation or relationship of agency or trust for or with any Noteholder, other than to the extent any such obligations result from mandatory provisions in the Swedish Financial Instruments Accounts Act. The Issuer reserves the right at any time with the approval of the Trustee (except that the approval of the Trustee shall not be required for the appointment of a replacement Disposal Agent or Calculation Agent where Noteholders direct the Issuer to appoint such replacement pursuant to this Condition) to vary or terminate the appointment of the Issuing and Paying Agent, the Registrar, any Transfer Agent, the Custodian, the Disposal Agent, the Calculation Agent, the Swedish Agent and the Swedish CSD and to appoint additional or other Issuing and Paying Agent(s), Transfer Agent(s), Custodian(s), Disposal Agent(s), Calculation Agent(s), Swedish Agent(s), a substitute Swedish CSD or such other agents as may be required provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) a Disposal Agent, (v) a Calculation Agent, (vi) a Custodian, (vii) a Swedish Agent in Sweden duly authorised under the CSD Rules, (viii) a Swedish CSD duly authorised as a central securities depository under the Swedish Financial Instruments Accounts Act, and (ix) such other agents as may be required by any other stock exchange on which the Notes may be listed, in each case as approved by the Trustee (subject as provided above).

Notice of any such change or any change of any Specified Office shall promptly be given by the Issuer to the Noteholders in accordance with Master Condition 22 (Notices).”.

2.6 Substitution

The following sentence shall be added at the end of Master Condition 19(c) (*Substitution*):

“In respect of any such substitution of the Issuer, the substitution will, in addition to the other criteria set forth above in this Master Condition 19(c), be subject to the prior written consent of the Swedish CSD.”

Schedule 2 to the Issue Deed The Master Repo Agreement

The following amendments shall be made to the Master Repo Terms forming part of the Master Repo Agreement with respect only to the Series:

- 1** All references to an Equity Swap Transaction, a Related Equity Swap Transaction and a Swap Counterparty Equity Final Exchange Amount shall not apply in relation to the Repo Agreement.
- 2** Paragraph 2(h)(i) of Annex I to the Master Repo Terms shall be deleted and replaced with the following:
 - (i) replacing the comma at the end of Paragraph 10(a)(x) with “; or” and inserting the following new paragraph immediately after Paragraph 10(a)(x):
 - “(xi) an Additional Termination Event (as defined in the Master Agreement) occurs under Part 1(n)(ii), (iii), (iv), (v), (vi) or (vii) of the Schedule to the Master Agreement, with references in those provisions to: (A) “this Agreement” being deemed references to this Agreement, (B) “Transaction” being deemed references to a Transaction hereunder, (C) Party A or Party B being deemed references to Party A or Party B respectively for the purposes of this Agreement, with the non-Defaulting Party being the Non-affected Party, as defined and under the Master Agreement and (D) “FATCA” being deemed references to “FATCA” as defined in the Master Agreement”;

Schedule 3 to the Issue Deed The Swap Agreement

The following amendments shall be made to the Master Swap Terms forming part of the Swap Agreement with respect only to this Series:

- 1 The Schedule to the Master Agreement shall be amended by the insertion of the following at the end of Part 5 as a new paragraph (t):

“(t) Upon the occurrence of (i) a Counterparty Bankruptcy Credit Event; or (ii) a Repo Counterparty Event (other than a Counterparty Bankruptcy Credit Event); or (iii) the delivery of a notice of termination for tax reasons pursuant to paragraph 11 of the Repo Agreement (a “**Tax Termination Event**”); or (iv) a Swap Counterparty Event (other than a Counterparty Bankruptcy Credit Event); or (v) a Termination Event (as defined in the Swap Agreement) where the Issuer has the right to designate an Early Termination Date in respect of the Credit Default Swap Transaction (a “**CDS Termination Event**”); or (vi) the long term senior, unsecured rating assigned by Moody’s Investors Service Limited (“**Moody’s**”) to the Swap Counterparty or the Repo Counterparty being withdrawn or less than Ba1 or the short term rating assigned by Moody’s to the Swap Counterparty or the Repo Counterparty being less than P-3 (any such downgrade or withdrawal, a “**Moody’s Ba1/P-3 Downgrade**” and such event, along with each of a Counterparty Bankruptcy Credit Event, a Swap Counterparty Event or Repo Counterparty Event (other than a Counterparty Bankruptcy Credit Event), a Tax Termination Event, a CDS Termination Event and a Moody’s Ba1/P-3 Downgrade, each a “**Replacement Event**”), the Issuer shall not designate an Early Termination Date and shall notify the Noteholder Facilitator as soon as reasonably practicable upon becoming aware of any such occurrence. Upon receipt by the Issuer of written directions (such notice to be copied to the Trustee) (a “**Replacement Counterparty Notice**”) from Garantum Fondkommission AB (or any successor thereto) (in such capacity, the “**Noteholder Facilitator**”) requesting the Issuer to enter into a replacement Swap Agreement in respect of the Credit Default Swap Transaction (the “**Replacement Swap Agreement**”) with a replacement swap counterparty (the “**Replacement Swap Counterparty**”) designated by the Noteholder Facilitator (and, provided that, in the case of a Replacement Event that is a Moody’s Ba1/P-3 Downgrade, the Swap Counterparty has provided its prior written consent to such replacement) and a replacement Repo Agreement in respect of all Repo Transactions (the “**Replacement Repo Agreement**”) with a replacement repo counterparty being the same entity as the Replacement Swap Counterparty (the “**Replacement Repo Counterparty**”) the Issuer shall use reasonable efforts to enter into such Replacement Swap Agreement with such Replacement Swap Counterparty and such Replacement Repo Agreement with such Replacement Repo Counterparty; provided that (A) each such Replacement Swap Counterparty (with the Replacement Repo Counterparty being the same entity) is a reputable financial institution with a place of business in London which enters into derivative transactions as part of its ongoing business activities and which has, as a minimum, a long term senior, unsecured rating of Ba1 and/or a short term rating of P-3 (or their equivalent ratings, in each case, as assigned by Moody’s) as of the date the Replacement Swap Agreement and the Replacement Repo Agreement are entered into, (B) the Replacement Swap Counterparty and the Replacement Repo Counterparty must be satisfactory to the Trustee and the Issuer, (C) the price that the Replacement Swap Counterparty is willing to pay to, or receive from the existing Swap Counterparty (the “**Existing Swap Counterparty**”) is reasonably satisfactory to the Existing Swap

Counterparty and the price that the Replacement Repo Counterparty is willing to pay to, or receive from the existing Repo Counterparty (the “**Existing Repo Counterparty**”) is reasonably satisfactory to the Existing Repo Counterparty, and (D) where such Replacement Counterparty Notice relates to a Replacement Event other than a Moody’s Ba1/P-3 Downgrade, such Replacement Swap Agreement and Replacement Repo Agreement are entered into within 30 calendar days of the occurrence of the relevant Replacement Event (and provided such Replacement Event is still continuing at such time) (such period, the “**Replacement Period**”).

If the relevant Replacement Swap Agreement or Replacement Repo Agreement is not entered into following a Replacement Event other than a Moody’s Ba1/P-3 Downgrade within the Replacement Period (including where, in such circumstances, no Replacement Counterparty Notice is delivered by the Noteholder Facilitator), the Swap Agreement and the Repo Agreement shall automatically terminate and, if a Swap Termination Event or a Repo Termination Event has occurred and no Early Redemption Commencement Date or Early Redemption Event has occurred pursuant to any other applicable Condition, the Issuer shall, as soon as is practicable (or, in any case, within 2 Reference Business Days after the end of the Replacement Period), give an Early Redemption Notice to the Noteholders (the date on which such Early Redemption Notice is deemed to have been given shall be an “**Early Redemption Commencement Date**”).

Following the delivery of such Early Redemption Notice, each Note shall become due and payable on the related Early Redemption Date. In connection with such redemption of each Note on the Early Redemption Date, the Disposal Agent shall (in accordance with the Agency Agreement) arrange for, and administer the sale of (a) the Original Collateral and (b) any Eligible Securities delivered by the Repo Counterparty to the Issuer under the Repo Agreement (and the security created pursuant to the Trust Deed over such Eligible Securities (if any) shall automatically be released for purposes of permitting such sale). The Notes will be redeemed at their applicable Early Cash Redemption Amount (as defined in paragraph 27 of Part A of these Issue Terms) on the relevant Early Redemption Date by payment of such Early Cash Redemption Amount to the Noteholders of the Notes on a pro rata basis.

Any Replacement Swap Agreement or Replacement Repo Agreement shall be entered into on identical terms as the Swap Agreement (including the Credit Default Swap Transaction thereunder) or the Repo Agreement (including the Repo Transaction thereunder), as applicable, save for such terms as the Issuer and the Replacement Swap Counterparty or the Replacement Repo Counterparty, as applicable, acting in good faith, determine are necessary to reflect the replacement of the Existing Swap Counterparty with the Replacement Swap Counterparty or the Existing Repo Counterparty with the Replacement Repo Counterparty.

On the entry into of the Replacement Swap Agreement and the Replacement Repo Agreement, the Swap Agreement with the Existing Swap Counterparty and the Repo Agreement with the Existing Repo Counterparty shall to the extent of the relevant replacement terminate immediately and:

- (i) the amount (if any) due to the Existing Swap Counterparty or the Existing Repo Counterparty from the Issuer upon termination of the Swap Agreement or the Repo Agreement shall be funded out of the amount paid to it by the Replacement Swap Counterparty or the Replacement Repo Counterparty, as applicable, and the Existing Swap Counterparty or the Existing Repo Counterparty, as applicable,

shall have no further claims against the Issuer or any other party in respect of such amounts; and

““Quotation” means each Full Quotation or the Weighted Average Quotation obtained and expressed as a percentage with respect to a Valuation Date in the manner that follows:

The Calculation Agent shall attempt to obtain Full Quotations on the Valuation Date from at least five Dealers; if at least two such Full Quotations are not available on the same Business Day within three Business Days of the Valuation Date, on the next following Business Day (and, if necessary, on each Business Day thereafter until the 15th Business Day following the relevant Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from at least five Dealers and, if at least two Full Quotations are not available, a Weighted Average Quotation. All Quotations shall be requested in an amount equal to the outstanding principal balance of the relevant Reference Obligation unless, in the sole and absolute discretion of the Calculation Agent, such an amount would not result in a commercially

Notice of Reference Obligation(s) and Valuation Date: Not later than the close of business on the fifth Business Day prior to the Valuation Date selected by Buyer, Buyer agrees to deliver to Seller a written notice (a “**Notice of Reference Obligation**”) which specifies the Valuation Date and contains a detailed description of the Reference Obligation(s) that the Calculation Agent will use to determine the Final Price. Such Notice of Reference Obligations shall become irrevocable as at the fifth Business Day after such Valuation Date.

Valuation Method: Highest

If an Asset Package Credit Event has occurred in respect of a Reference Entity, (i) valuation of a Prior Deliverable Obligation specified in the Notice of Reference Obligation may be satisfied by valuation of the related Asset Package, and such Asset Package shall be treated as having the same currency and Outstanding Principal Balance which the Prior Deliverable Obligation to which it corresponds had immediately prior to the Asset Package Credit Event, (ii) if the Asset Package is zero, the Final Price shall be equal to zero, and (iii) for any other Asset Package, the Calculation Agent shall determine the value of the Asset Package in its sole and absolute discretion and a Full Quotation shall be deemed to have been obtained (for such valuation, the Calculation Agent may obtain quotations for some or all of the components of the Asset Package and/or take account of any method for determining the Asset Market Value of any Asset that is a Non-Transferable Instrument or a Non-Financial Instrument that may be published by the DC Secretary).

7. Additional Amendments to Credit Derivatives Definitions

The parties agree that, for purposes of the Swap Transaction governed by this Confirmation only, the following amendments will be made to the Credit Derivatives Definitions:

- (a) *Successor.* Section 2.2(n) of the Credit Derivatives Definitions shall not apply. Where, pursuant to Section 2.2(a) of the Credit Derivatives Definitions, one or more Successors have been identified in relation to a particular Reference Entity:
 - (i) each such Successor will be a Reference Entity (a “**Successor Reference Entity**”) for the purposes of this Credit Derivative Transaction (and, for the avoidance of doubt, the original Reference Entity shall cease to be a Reference Entity except where it is a Successor Reference Entity);
 - (ii) the Reference Entity Notional Amount in respect of each such Successor Reference Entity shall be the Reference Entity Notional Amount in respect of the original Reference Entity divided by the total number of Successor Reference Entities; and
 - (iii) if, due to the application of Section 2.2 of the Credit Derivatives Definitions, a single entity would be a Reference Entity under this Swap Transaction more than once, then it will be deemed to be a Reference Entity only once hereunder, and

the Reference Entity Notional Amount for such Reference Entity will be the sum of the Reference Entity Notional Amounts otherwise applicable to it.

- (b) *Certain Defined Terms.* Many of the requirements set out in the Fallback Settlement Method rely on provisions of the Credit Derivatives Definitions intended for use in credit default swap transactions for which the Settlement Method is Physical Settlement. Such terms shall be interpreted, for purposes of this Confirmation, in a manner consistent with the provisions for valuation set out above.

In furtherance of this intent, but without limitation, references in the Credit Derivatives Definitions to “Deliverable Obligations” will be generally interpreted as references to “Reference Obligations”, references to “Delivery Date” will be generally interpreted as references to the “Valuation Date”, references to the “Notice of Physical Settlement” will generally be interpreted as references to the “Notice of Reference Obligation” and references to Physical Settlement as the applicable Fallback Settlement Method shall be generally interpreted as references to Cash Settlement as the Fallback Settlement Method.

The following amendments shall be made to the Master Dealer Terms forming part of the Dealer Agreement with respect only to this Series:

- 1 Paragraph 4 of Schedule B (*Selling Restrictions*) shall be deleted in its entirety and replaced with the following:

“4 Public Offer Selling Restrictions Under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), the Dealer represents and agrees that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”), it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Prospectus to the public in that Relevant Member State other than the offers contemplated in the Prospectus in the Kingdom of Sweden from the time the Prospectus has been approved by the Central Bank of Ireland, being the competent authority in Ireland, and published and notified to the relevant competent authority in accordance with the Prospectus Directive as implemented in the Kingdom of Sweden until 3 September 2014, except that it may, with effect from and including the Relevant Implementation Date, make an offer of Notes to the public in that Relevant Member State:

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive); or
- (c) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes shall require the Issuer or the Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive, or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes to the public**” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “**Prospectus Directive**” means Directive 2003/71/EC (as amended by Directive 2010/73/EU) and includes any relevant implementing measure in each Relevant Member State.”
